Why Become a Chi Am Sponsor?

Chi Am Circle is a nonprofit Asian American women's club that has served the Bay Area since 1965. We have endeavored to promote service and educational projects for the betterment of the community. Our network of members feel it is just as important to support local businesses. Your business will receive exposure to our membership, the organizations we collaborate with, and the greater community we serve.

We believe that together with you we can make a positive difference in the community.

How Your Sponsorship Helps

Chi Am's signature commitment to the community has been its **Scholarship Award Program**. We have invested in the future by providing scholarships to college-bound students of Asian heritage. Scholarships are awarded to deserving students based on academic excellence, financial need and community service. Recipients are high school students in Santa Clara County.

As a volunteer organization, we ensure that 100% of your donation will go to the fund or funds you designate (i.e., Scholarships, Service Programs, or General Fund). Your sponsorship will help us continue our service to the community. We thank you for your support.
